

Quarterly Market Update - July 2024

[Take Our Compatibility Survey](#)

This week's newsletter features a presentation by Evergreen's Co-Chief Investment Officer, Jeff Dicks. He reflects on the third quarter of 2024 and reviews the investment committee's market outlook in 34 charts. In addition to these insights, Jeff also discusses key themes to pay attention to for the remainder year.

Any opinions, recommendations, and assumptions included in this presentation are based upon current market conditions, reflect our judgment as of the date of this presentation, and are subject to change. Past performance is no guarantee of future results. All investments in the material presented is compiled from sources believed to be reliable, but accuracy cannot be guaranteed, and Evergreen makes no representation as to the completeness. Securities highlighted or discussed in this communication are mentioned for illustrative purposes only and are not a recommendation for these securities. Evergreen actively manages client portfolios and securities discussed in this communication may or may not be held in such portfolios at any given time.

There is no guarantee that these yields stated in this presentation will be achieved. Yields mentioned are gross of fees. The yields are not actively managed and therefore do not have transaction costs, management, or other operational expenses. The yields are not net of advisory fees, brokerage or other commissions, and any other expenses that a client may pay. Please note that the yield number is not the performance that your account could expect to earn based on this investment allocation. Your actual return will also be impacted by price appreciation or depreciation for equity investments as well as the deduction of advisory fees, brokerage or other commissions.
